"We Carry You Across"

Informed Advertisement Placement

Combining our local research of advertisement mediums and our network of advertisers will allow your company to make the wisest, most informed and culture-appropriate decision when placing your advertisements in foreign markets.

Local Research of Advertisement Mediums

Translatus offers information on the distribution of advertisements within a region, which can be used to determine the most effective venues for placement of your company's marketing campaigns in each of your target markets.

Advertising Mediums Available

We place advertisements in all major print sources, TV channels and outdoor advertising companies for all regions serviced. For China, we also provide analysis and placement of internet advertisements.

Localization of Advertisement

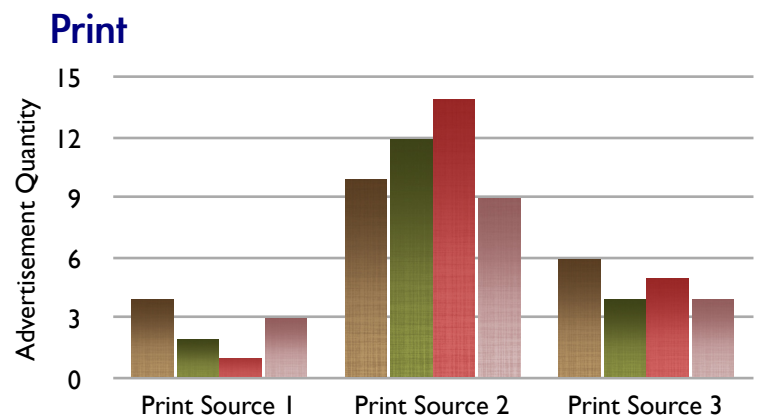

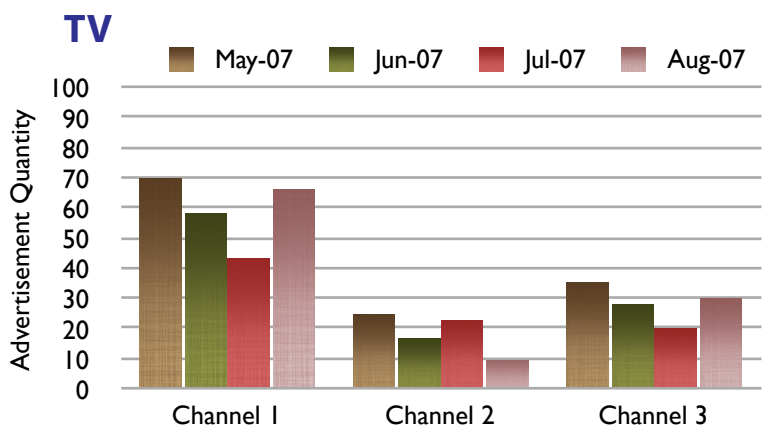

Translatus will localize your advertisement to prepare it for placement in your target market. This includes:

- Translation
- DTP work, including voice-overs
- Cultural and linguistic analysis

Informed Placement of Marketing Campaign

Translatus works closely with advertising representatives for the major print sources, TV channels and outdoor advertising companies in each offered region and can place your advertisement in the venues you select.
