<u>Service</u>	<u>Fee</u>	<u>Notes</u>
Legal Certification	Dependent on Target Country	All languages
Rush Delivery	Varies based on Project timeline	Projects requiring production over a non-business day including the weekend and holidays, or projects that have a very short due date (e.g., same day rush delivery or more than 2000 words per project day)
Minimum Project Fee	€50	Minimum fee per project is €50 if per-word cost is less than that amount.
Other	Varies based on Project requirements	Our standard hourly rate is €35 per hour. Additional charges may apply for services such special project management or DTP support beyond standard service. Prices for additional services will be provided on a per-project basis when applicable.

***TRANSLATION MEMORY** – Included in the cost of translation, Translation Memory creates a glossary of your approved translated terms and expressions that grows with each translation. These glossaries are employed with each new project to ensure more consistent, high quality translations.

You are the owner of your translation memory. You can take it with you or get a copy of it at any time. Translatus customer service will provide you with a file format that suits you best. There is a processing fee each time you take a copy of the translation memory.
